What a marvelous event the earthly resurrection will be! It will be a time of irrepressible joy when families broken apart by death will be reunited! Jesus promises that those in the memorial tombs will come out (John 5:28,29) In harmony with God's original purpose, those resurrected will have the opportunity to live on a paradise earth (Luke 23:43) This promised future includes perfect health and everlasting life. The Bible says: "The righteous will possess the earth and they will live forever on it". Psalms 37:29
