Janet has been gone almost two years. For some it feels like forever and for others just yesterday. Janet's future is assured. God's word is true and it says that Janet will be resurrected to life on earth. We have prayed the Lord's Prayer many times asking for God's Kingdom to come and his will to be done. Part of that promise is found at John 5:28,29 where it states that all those in the memorial tombs and graves will come out to life with us again. Janet will be like Lazarus who awoke from death to the arms of his loved ones. It is a wonderful future we can all look forward to. It's God's guarantee!
