Memories of Carol

Condolences

Guest -

I very sorry for the loss of Carol. My condolences to her family and friends. There is good news though. The resurrection will be a marvelous event! It will be a time when families broken apart by death will be reunited. Jesus promises that those in the memorial tombs will come out (John 5:28,29). In harmony with God's original purpose, those resurrected will have the opportunity to live on a paradise earth (Luke 23:43). This promised future includes perfect health and everlasting life. The Bible says: "The righteous will possess the earth, and they will live forever on it." Psalm 37:29
