God is called the Father of tender mercies, who comforts us in all our tribulation. Rest assured that he cares for all his creation, and he would never bring us suffering. A soothing scripture I like is Psalm 34:18 which reads: "Jehovah is near to the broken at heart, and those who are crushed in spirit he saves." He promised that in paradise, we will have the prospect of enjoying life without end, free from all pain, suffering, and day to day stresses. Even our loved ones in the grave will be resurrected. Psalm 37:9,29; John 5:28,29. It's God's guarantee!

What future is there for Henry? Is he lost forever? Many things are said, but what will give real comfort? When one is gone somewhere and comes home, remember how good it is to see them again? Henry's future is what is stated in God's word the Bible. In the book of John it clearly states Henry will be resurrected to life here with us. It says at John 5:28&29; that all those in memorial tombs and graves will come out to life again. Later in the book of John is the record of Lazarus' resurrection, and there are resurrections recorded for us to ponder. But will Henry then grow old and we lose him again? Revelation 21:3,4 tells us that death, sorrow, sickness and death will be no more. Henry will be with us again.
