William has already been gone three years. For some it feels like forever and for others just yesterday. William's future is assured. God's word is true and it says that William will be resurrected to life on earth. We have prayed the Lord's Prayer many times asking for God's Kingdom to come and his will to be done. Part of that promise is found at John 5:28,29 where it states that all those in the memorial tombs and graves will come out to life with us again. William will be like Lazarus who awoke from death to the arms of his loved ones. It is a wonderful future we can all look forward to! It's God's guarantee!

Where is William now? He prayed the Lord's Prayer many times in his life. The kingdom he prayed for will have an impact on him that will cause us to rejoice. Here's why: Jesus states this at John 5:28&29; all those in memorial tombs and graves will come out to life again on the earth. William has the promise of resurrection that will take place under the rule of God's kingdom. Like Lazarus, he will wake to the arms of his loved ones. But will he grow old and we lose him again? NO! As stated in Revelation 21:3,4 that kingdom will remove sickness, sorrow, pain and death. Those will be former things that have passed away. It will be good to see William again.
