Where is comfort to be found? Many of us still grieve over Phil. The words spoken by many mean well. Here are the plans for Phil's future from Jehovah God's word and we are included in the good news. Phillip will be resurrected to life again here with us. In God's word the Bible it states that all those in memorial tombs and graves will come out to life here with us. John 5:28&29; has that future recorded for us. So we will be waiting a bit but his future is secure. When he is resurrected we will never lose him again. What a wonderful day to look forward to.
