During her life NaN prayed the Lord's Prayer many times. God's will for the earth, and for NaN is clearly stated and it is good news for us and for her. She has a guarantee of resurrection to life again here with us. We will enjoy her to the full and never lose her again. Revelation 21:3&4 tells us that death, sorrow, sickness and pain will be no more. Our grief for NaN will evaporate when we see her again. What a wonderful future is ahead.
