What a terrible blow to lose life so young. How will this be fixed? Will this sadness end? YES. Here is Matthew's future: all those in memorial tombs and graves will come out to life again here with us, John 5:28&29; These are God's son's words. So it is guaranteed that Matthew will live again. He will open his eyes to life under God's kingdom rule. War, sickness, sorrow and death will be no more. Revelation 21:3&4 tells us that. It will be wonderful to see him again.
