My memories run deep and wide but all of them are more than wonderful. I will miss our daily 2 hour calls and our hundreds of texts, especially the ones where we said good night. So glad she was my best friend! Her last text to me simply stated " not everyone feels the comfort that we give each other, how blessed are we? ". I love you Paula!! ~"Lissa"

There are so many memories made with you that I will never forget, it's so hard to think of just one. From sleepovers, having you do our hair and nails, all the thousands of camping trips; one in particular when I came up from Georgia and we went to Harrisville where we swear we saw a monkey running around town then eating ice cream at Dairy Queen and driving an 1hr to go have ice cream at Culver's all in the same day. Even though it rained the whole time we still made the most of it. I will miss hearing you call me DDG. I'm so blessed to know you and share so many memories, you were truly one special woman. Love you Aunt Paula. ~DDG: aka Sarah.
